

Junior Engineering Summer Camps 2024

Price: \$225 per session | **Full Day:** \$400

Early Bird: \$25 off until May 1st | **Early Drop-Off (8am):** \$30/week | **Late Pickup (5:30pm):** \$40/week

Lunch Option: Available only to full-day campers. Purchase a peanut-free lunch for \$25/week or bring your own! We are a peanut-free campus. Please bring peanut-free lunches/snacks.

AM session: 9am – noon | **PM session:** 1 – 4pm | **Full day:** 9am – 4pm

Junior Engineering Adventures (Ages 4-7)

Tiny Tinkerers, Big Dreams: Unleashing the Power of Play in Engineering

Week 1: June 3-7

Week 5: July 8-12 (*AM and PM sessions reverse*)

- **AM Session: Mission to Mars:** Explore the Red Planet with hands-on activities and engineering challenges.
- **PM Session: Junior World Games:** Dive into sports engineering with exciting physical and mental challenges.

Week 2: June 10-14

Week 6: July 15-19 (*AM and PM sessions reverse*)

- **AM Session: Digging for Dinos:** Uncover the world of dinosaurs and fossils through engineering and paleontology.
- **PM Session: Playful Playground Engineers:** Discover and innovate with simple machines to engineer the ultimate dream playground.

Week 3: June 17-21

Week 7: July 22-26 (*AM and PM sessions reverse*)

- **AM Session: Zany Zoo Engineers:** Design better habitats for zoo animals using your engineering skills.
- **PM Session: Twisted Fairy Tales:** Solve engineering challenges in reimagined classic stories.

Week 4: June 24-28

Week 8: July 29-Aug 2 (*AM and PM sessions reverse*)

- **AM Session: Junior Space Pioneers - Coding:** Launch into coding with space-themed projects using Scratch.
- **PM Session: Camp Kelvin:** Engineer your way through outdoor exploration and camping adventures.
