

Invite us to your next celebration

Birthday Parties & Special Events

Make your child's big day unforgettable with hands-on STEM fun! Engineering For Kids is excited to bring **engaging, interactive activities** right to your celebration.

What We Offer

- Customized engineering activities based on your child's interests
- Fun, safe, and educational projects for all ages
- Experienced instructors who keep kids excited and engaged
- Options for parties, school events, community programs, and more

Why Families Love Us

- Kids explore, build, and create—while having a blast!
- We tailor every activity to match your child's passions or your event's goals.

Book Your Event Today!

Let's build a celebration they'll never forget.
