

SCOUT WORKSHOPS

Engineering For Kids is excited to support Girl & Boy Scouts in earning their STEM and Engineering badges through engaging, hands-on workshops!

Each program is customized to meet your troop's specific badge requirements. Let us know which badges you'd like to earn, and we'll design a workshop to help your Scouts achieve their goals.

Workshop Information

- ✓ **Tech (Computers/Robotics/Coding)**
 - 1.5 hours workshop for up to 8 scouts: \$200
 - Each additional participant: \$25
- ✓ **Hands-On Engineering***
 - 1 hour workshop for up to 8 scouts: \$160
